Ruth Ann Terry, MPH, RN
Executive Officer

The California Board of Registered Nursing in conjunction with LexisNexis have developed the 2004 Nursing Practice Act. This publication is now available in the following formats: Book with CD Rom, Book only, or CD only. The Practice Act governs the practice of registered nursing and provides important information about legal issues for RNs. This publication also includes the most current laws and regulations in California related to the field of Nursing. Registered nurses are encouraged to become familiar with the Practice Act and to periodically obtain an updated copy through the methods listed below.

Book with CD Rom:

Publication: 23560
ISBN: 0820587079
Price: \$13.50*

Book Only:
